### Step 3

Click the character to be looked up to start stroke-order learning.

The screenshot shows a web-based learning program titled "Learning Program for Stroke Order of Chinese Characters". On the left is a navigation menu with the following items: Character, Bopomofo Symbols, Stroke Number, Radical, Pinyin, Stroke Order of Bopomofo, Bopomofo Workbook, Vocabulary Workbook, Teaching Resources, and User's Guide. The "Character" option is selected, leading to a "Result Page" which displays "Search Result: 1 Character". A red box highlights a table with one row containing the character "大" in the first cell and four empty cells. To the right of the interface is a vertical grid with Chinese characters and their Bopomofo symbols: 上 (shàng), 大 (dà), 人 (rén), 孔 (kǒng), 乙 (yǐ), and 己 (jǐ).
